Foreword

Our college days, those wonderful days which will always remain among the most cherished of our memories.

Behind the familiar brick walls of Lousiburg College a new chapter is being written daily in each of our lives.

It is with this in mind that the Yearbook staff proudly presents this edition of *The Oak*.

A student yawns as he rises to begin a typical day at Louisburg. The day has begun in a hurried fashion, and there are many problems to meet, both minor and significant: where are my shoes, can I find time to do my chemistry problems before class, will I get my test paper back, and will I get my letter of acceptance?

Two residents of Franklin prepare for breakfast. There will be a long day ahead of classwork, tests, and, of course, there must be some socializing.

Dawn ushers in another day at Louisburg . . .

Students are seen eating in the Benjamin N. Duke cafeteria. Louisburg is proud of this building for it is the newest on campus.

A group of students race to the mailboxes hoping for letters from home. Those encouraging words, money, and packages remind us of those who care for us and are depending upon us.

Letters . . . Lectures . . . Labs . . .

Ah! At last comes the pause that refreshes. Students find the Student Union their favorite meeting place on campus.

This picture taken in the chemistry laboratory well represents the hard work and tedious tasks to be done there. Under the guidance of the professor many students have learned to reason and work precisely with many chemicals

Social Life . . . have become part of us . . .

Classroom activities are very typical scenes at Louisburg. Though our work outside of class determines to a large extent our degree of success, our work in class plays a vital part in the process of learning.

After supper we go to the Little Chapel for the devotional part of our day. Two students are found kneeling at the altar. Not only have we learned many tangible facts this year but also we have been educated religiously. We have, here at Louisburg, received many disappointments at times when life seemed in vain. Our faith, though, has been developed this year and we have been given the chance to establish our beliefs on a firm basis. Many of us this year have chosen our paths for life with God.

during a memorable year of college.

The day for the Louisburg College Student comes to a close with study. Studying is a vital part of education, for it is only by studying the works of knowledge of generations that we can appreciate, interpret and apply this knowledge to our own experiences. Study—real concentrated study—is not easy, but the fruits of this concentration can enrich our lives immeasurably.

M. Carrington Bretter, Jr.

Dedication

Since coming to Louisburg College in 1949 he has worked with both students and faculty in various capacities, as having been Advisor to *The Oak*, presently serving as Advisor to the Young Democrats Club, participating as a member of the Faculty Committee on Academic Standards, and officiating as Head of the History Department.

Through effort excelled by none he has offered his services.

Through a profound knowledge he has directed us as students.

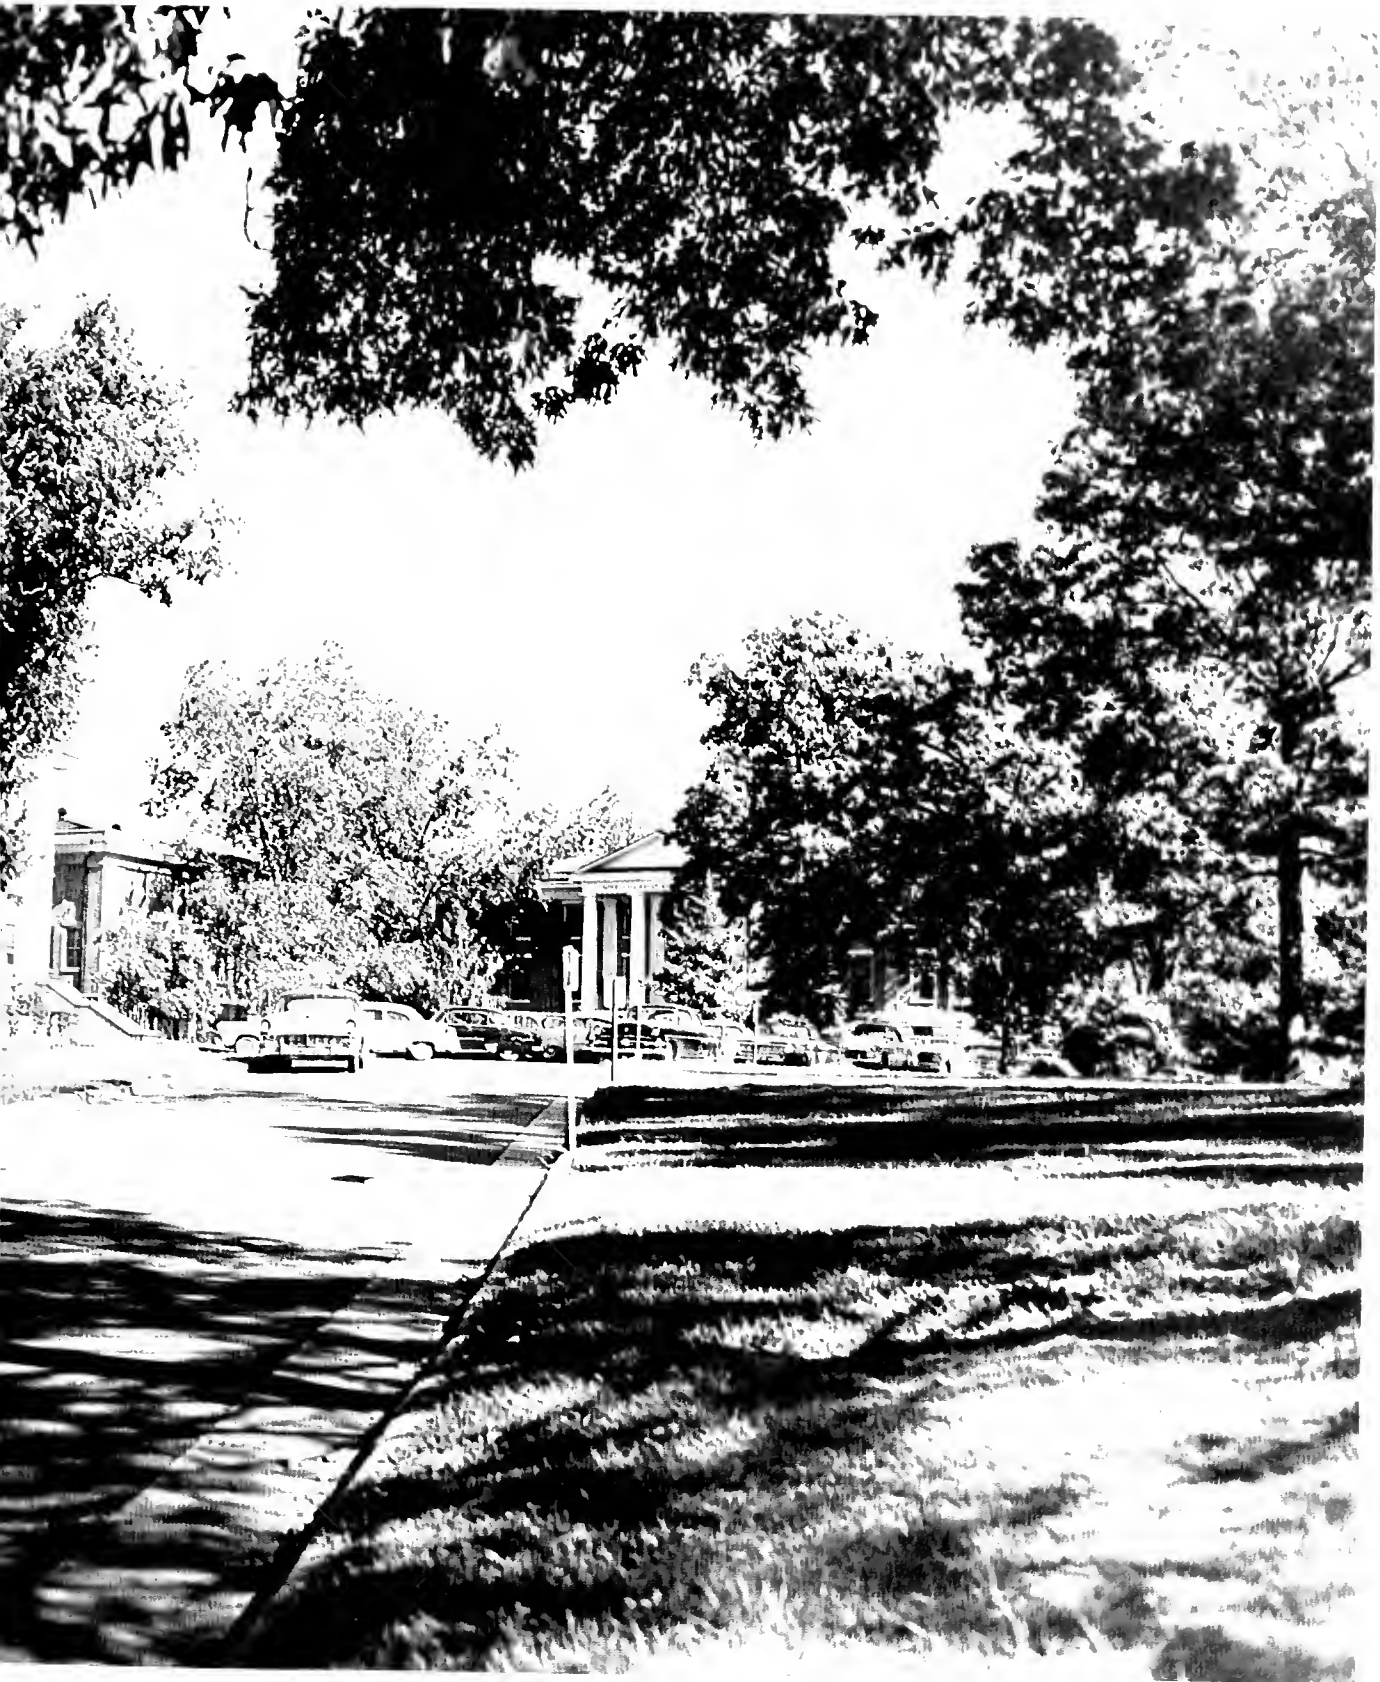

Through a human understanding acquired by years of experience, he has made our problems seem trivial.

With these thoughts in mind, we dedicate this edition of the Oak to an outstanding educator, a loyal friend, and a Christian gentleman . . .

President's Message

So much is packed into the swiftly moving days of college that we are unable to comprehend or experience fully all that these days afford. The college annual, depicting life on the campus, can keep vivid and make more meaningful some of these glorious experiences. In the years to come, as you turn the pages of this edition of *The Oak*, may you remember pleasantly and tenderly everything that came to you during the 1959-60 academic year at Louisburg College.

How far has the light of education extended? That is the problem you the Faculty of Louisburg College have had to gauge during the past year.

An educated person has many attributes: a well-rounded personality, the realization that his knowledge is never complete, a firm belief and faith not only in God, but in himself, and a positive outlook on life that does not look back on past mistakes as failures, but as stepping

stones to success. These you have given us.

This light is not only the physical light of books and classroom lectures, but that intangible light that has been instilled in us through your dedication. This light will go far in illuminating life's sometimes elusive path. We recognize the God-given blessing and power of knowledge, and will illumine future generations with the light you have given us.

JOHN PATRONIS... *President*

Integrity, ability, devotion to duty, honor and justness these have been the characteristics of the Men's Student Government during the past year. Each member of the respective governments has had a tremendous responsibility in the handling of all student affairs not under the Judiciary Board or the administration. It has not been an easy job, for responsibility never is easy to assume or to dispense with, but the Men's Student Council has performed a difficult job with ease. Orientating new students, making new rules, revising some others, these have been part of your duties, but the biggest and most important has been instilling the principles of honor and self-development in each of us.

The friendly atmosphere with which the Student Council has operated has been very beneficial both to the school and the students. In a smaller school such as Louisburg, the Student Council is a very important and integral part of our everyday living, and it can work with the student body in a much closer way that is not found in larger colleges. Due to your efforts, each of us acutely feels the responsibility placed in us as students, and as members of society. Your conscientious service has contributed greatly to the successful functioning of our school year.

Left to right: Mr. Walter N. McDonald, Tommy Ralph, Mr. C. Ray Priette, John Patronis, Mr. Robert G. Stanley, Gene Faulkner, Mr. Grady G. Snyder, Denny Lawrence, Mr. Sheppard A. deHart, Dwight Camper.

Louisburg College has followed the lead of many of the state's larger colleges, and for the first time, has a Judiciary Board to handle the more serious of student rule infractions.

As it is set up, the Judiciary Board consists of ten members, five from the faculty and five from the student body. The first two automatic members are the president of the Student Council and the male president or officer of the honor fraternity. One of the five faculty members was chosen as a non-voting chairman to preside over the meetings and maintain parliamentary procedure. This gives a five-four voting ratio, and has helped in getting the three-fourths vote needed to decide a case.

In relation to the Judiciary Board, the Student Council will act as a grand jury. It will try cases of a more trivial nature, but if the case is deeper than it appeared, or if the Council could not reach a decision, action will be referred to the Judiciary Board. Final appeals from a Judiciary Board decision can, under special circumstances, be made to the administration. However, the administration has usually upheld Judiciary Board decisions.

The Judiciary Board is a major step forward in Student Government, and the members have taken this responsibility seriously. Through their efforts, the student Government, instead of becoming weaker, has actually been strengthened. For the splendid job you, the board members, have done this year, we wish to say "Thank you and congratulations."

Women Day Students

Newly organized this year, the Women's Day Student Government has functioned very well. The Women Day Students have acted as a team in more ways than one. Through meeting regularly you have helped maintain a friendly attitude between day students and dorm students. Your participation in intramural sports has closely created a friendly atmosphere between each of you. You have realized you are a team working toward the same goal as are all college students: to become educated in your outlook of life and in a field in which you may help others. We commend you, the Women Day Students, on your first and very successful year organized together.

LINDA LEA
President

You, the officers of the Women's Student Government, have served this year to the height of your ability. Through alleviating the burdens of the administration you have played an important part in our college year. You have instilled within our women students a sense of honor, integrity, and self-responsibility. Each one has matured through your conscientious efforts. Through your concern for each and every individual, this year has been a successful one for the women at Lonsburg.

You have created many memories which will not be erased for many years, house meetings, T. V. nights, the big-little sister party, and the annual house Christmas party. You, the Women's Student Government, have made the women feel an integral part of the college.

The deadlines are past, the work is over, and now it's all memory. Here is your 1960 edition of *The Oak* with your classmates, professors, organizations, and athletic teams.

The going has not been full of play. The road has been a long and tiresome one for many. Nevertheless, the experience has been a memorable one. You, the students of Louisburg College, are our critics, you alone will determine whether our task has been a successful one.

The members of *The Oak* staff would like to thank Hunter Publishing Company and Smith Studios. It is these behind-the-scenes organizations who have helped make possible *The Oak*, 1960, Louisburg College.

The Louisburg College Dramatics Club has as its purpose two distinct and worthwhile objectives. The twofold purpose of this club includes promoting interest and participation in dramatics among the students of the college and giving worthwhile programs and presenting both religious and secular dramatic productions.

You, our dramatics club members, have willingly offered your time and talent to the club, our college, and com-

munity. Their first production, *Building Something Great*, was presented in churches in Spring Hope, Durham, Louisburg and Franklin County. The major secular three act production was *The People Versus Maxine Loue*, presented in Franklin County Courthouse. These contributions have added greatly to the enjoyment and enrichment of our school year.

Christian ideas, service, informative discussions, movies, talent shows, the Inter-Faith forum, and many other activities such as sponsoring delegates to conventions—these have been the projects of your YM-YWCA during the past year.

The semesterly Talent Show was one of the comedy highlights of the year. The Inter-Faith forum, sponsored by the "Y", and pushed by the Y Cabinet, was the most challenging intellectual series of the entire repertoire of programs. Movies on people of other nations helped to foster understanding of other races. For the unusual, the program on Liturgical Jazz was well suited to the category. Programs of modern interpretations of religious music were given by the students, and formed an interesting backdrop for the regular invocation, presented by Y members.

Among the many religious activities participated in by the YM-YWCA were the Vesper service held each Wednesday night, the weekly Communion service during Lent, and devotionals on the student radio station. The Inter-Faith Forum, a series of programs in which ministers of other faiths gave their reasons for preferring their particular denomination and then opened the floor for any questions, was a very interesting and rewarding excursion into the "whys" and "wherefores" of religion.

The Y Cabinet has done an excellent job this year, coordinating the YM and YW branches, sponsoring convention delegates, giving a dance social hour twice a week, and originating the many interesting programs that have contributed greatly to the very memorable year just past.

As members of the Friendship Circle, one of the most active of the religious organizations on the campus, you have rendered both the school and the Church innumerable services. Devotionals over the radio station, trips to the Franklin County Rest Home to give shut-ins a little lift from their dreary existence, prayer retreats, as well as very interesting and informative discussions on religious topics—all these and many more are responsible for the respect with which the students view The Circle.

Many of the students who are members of the Friendship Circle have chosen full-time religious work as their vocation. You have instilled in these students, and among all attending the weekly meetings, the conviction that the power of the Church will depend on them.

Many types of people are represented in your interdenominational group, and many have found friends that they will cherish in the years to come. For adding more of the spirit of real fellowship and christian living to the campus, we salute you, the Friendship Circle.

You, our part-time students of Tuesdays, Wednesdays, and Thursdays, have also been part of Louisburg this year. Through your faith, ambition, and hope to fulfill your life's call you have proved it possible to be a good student and a good minister at the same time.

Many times it has seemed in vain to work so hard at two tasks simultaneously, but the real fruits of your work became evident as you saw your inner light of faith illuminate the paths for others. Suddenly you realized it must have been intended for you to fulfill your call.

Methodist Student Movement

DAVID BIRDSONG
President

The Methodist Student Fellowship is a local unit of the State and National Methodist Student Movement. The purpose of the organization is to offer Methodist youth an opportunity for Christian commitment, to examine, and endeavor to solve, the problems of student Christian life; to give special attention to a study of the Bible; to give emphasis to the essentials of Christian faith; to discover the real meaning of the ecumenical movement in our world, to attempt to interpret the Christian faith through modern arts, and to inspire for Christian churchmanship.

Canterbury Club

BOB GORMLY
President

Organized for the first time this year, the Episcopal Canterbury Club has sponsored many programs both of a religious and social nature, that have been interesting to the members and their guests. The Canterbury Club meets every Wednesday night at 6:30 in the parish house of the Episcopal church. One of the highlights of the activities were the weekly Corporate Communion services during Lent. Next year, the Canterbury Club hopes to propose and promote many and more varied activities.

The Baptist Student Union, another of the newly-organized church groups on the campus, holds its meetings each Tuesday night at the Baptist church, two blocks from the campus. Through participating in many informative discussions and projects, the members gain a more thorough and far-reaching knowledge of the Baptist church, the Baptist church in relation to the other denominations, and the Church's role in the modern world.

MICHAEL SYKES
Station Manager

For the first time, the Louisburg College Radio Station, or, W.S.L.C., has gone on the air permanently. With regularly scheduled programs of news, sports, and weather, as well as request programs, classical music sections, and mood music, you have opened an entirely new avenue of student activity, and one that can give very valuable practical experience. Setting up request hours, gathering news and sports, covering special events—all these have contributed in making WSEC the most-listened-to spot on the radio dials of Louisburg College, and have required many hours of hard work.

Many persons have worked doggedly to put the station on permanently, and February, 1960, saw the success of their efforts. Both from within the student body and from without came help, in knowledge and in dollars, given by those who saw the need for a student station and believed it could be done.

To your staff, and to everyone who has labored and sacrificed so that Louisburg College might have a radio station, we wish to say "Congratulations for a job well done."

The responsibility of the Future Business Leaders of America is a great one. You, the young men and women of the Louisburg chapter, are to take your places in the business world of today, trained for leaders. The future of the entire free enterprise system of the United States is dependent, to a great extent, on the direction and purpose of people like yourself—the business leaders.

Through your programs, speeches and numerous projects, you have gained a greater comprehension of what the responsibilities of the businessman are to be. This task is a great one, and one not to be taken lightly. By your efforts, the business world and the world of our everyday living will be made better. May you take the ideas and ideals gained here at Louisburg and put them into practice in whatever you do, and may you truly become the "Business Leaders of America."

A Young Democratic Club at Louisburg College was organized this year after being inactive for two years. This reborn club's purposes are to stimulate in young people an active interest in governmental affairs, to increase the efficiency of popular government, to foster and perpetuate the ideals and principles of the Democratic Party, to recruit new members for the Democratic Party and Democratic candidates, to help acquaint voters with the issues and the candidates, and to provide for our people through its administration the highest degree of justice, social welfare, and happiness.

The Y.D.C. here at Louisburg College has drawn up local purposes in order to better serve its members by interpreting the state's purposes for the betterment of political knowledge of its members.

In light of Y.D.C.'s main purpose of better informing its members of the complex and multiple activities of government, a fact-finding committee was appointed. The members of this committee have the responsibility of reporting to the club of material concerning international, national, and state politics.

The Y.D.C. of Louisburg College is one of the largest campus organizations in the history of the college.

This year's speakers included Colonel Collin McKinne, Director of the North Carolina Veteran's Administration; State Representative Roland Braswell, prominent attorney; Major-General Edward Griffin, head of North Carolina Civil Defense Program; and gubernatorial candidates Terry Sanford, John Larkins and Malcolm Seawell.

The Y.D.C. provides for its members an opportunity to participate in many projects and to work hard, thus receiving intangible rewards. The Y.D.C. promotes self-confidence, leadership ability, and self satisfaction.

"If the power to work hard isn't talent, it's the best known substitute for it."

John D. Larkins, Jr. addresses the group.

Organized this year for the first time, the Inter-Club Council promotes greater unity among the different clubs on the campus, and between the clubs and the students both in and out of them. The student body, through the ICC, can show the faculty that they can shoulder and dispense more responsibility. The ICC could enter such fields as student social activities, dispensing delegates to off-campus meetings, and sponsorship and support of ideas beneficial to the student. The ICC will not detract from the individuality of any of the clubs, but will add strength to them by codifying their actions.

The Inter-Club Council is composed of the presidents of all the clubs, honor fraternities, and other student organizations. The president and other officers of the ICC will be the president and officers of the clubs involved, starting with the honor fraternity Alpha Beta Gamma, and moving forward alphabetically through the organizations, each set of officers having a tenure of one year. Advisors for the ICC will be the Dean of Men and the Dean of Women.

The Inter-Club Council is an organization with an unlimited future. We sincerely hope its influence and efficiency will increase with each year.

Basketball

After a comparatively slow start, the Purple Hurricanes of Louisburg College managed to wind up the season with a very impressive record. Behind the shooting of such top-notch players as Jimmy Dew, Roger Penland, Trent Strickland and many others, the team was sparked to many victories, and finally to the National Junior College Basketball Tournament held at Hutchinson Kansas.

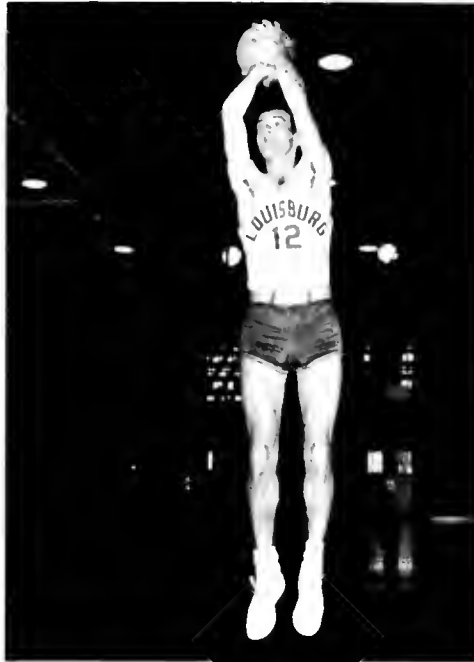

At the beginning of the season, Coach Wayne Benton made the prediction that this year's team would be a very good one. The Louisburg Squad has certainly lived up to this prediction. Even though we didn't win them all, when we lost we lost as a good sport, and that is often more important than winning games. For the many thrilling and entertaining home games you have provided the students with, we of *The Oak* stall wish to say "Thanks."

COACH WAYNE BENTON

HURRICANES BEAT SOUTHEASTERN 92-55

Louisburg College's Hurricanes opened their 1959-60 basketball season by outclassing visiting Southeastern Seminary of Wake Forest 92-55.

Frequent fouling and erratic passing by both teams slowed play considerably until midway of the first half when Doug Hobgood and Captain Jimmy Dew of Louisburg began connecting with forwards Les Gillikin and Mack Horrell controlling the boards. Louisburg's fast break and accurate outside shooting opened a 6 point lead, 31-25, with 2 minutes remaining in the half. Bobby West, Gillikin and Joe Carden then sparked the Hurricanes to a quick 10 point spurt that sent Louisburg in front 41-27 at halftime.

The Hurricanes gained a 19 point lead, 58-39 early in the second half with the sharpshooting of Dew pacing the attack. Dew and Cartwright controlled the boards as Louisburg continued to outpace the Seminary.

Louisburg Coach Wayne Benton cleared his bench with 10 minutes left in the game and a 67-47 lead.

High scorer for Louisburg was Dew with 15 points. Hobgood followed with 11. Cochran paced Southeastern with 13 points.

EAST CAROLINA CLIPS LOUISBURG 86 to 81

East Carolina's tall Jaycees rallied in the closing minutes to win a 86 to 81 thriller over host Louisburg College on November 17.

Sparkplug guard Ken Fonne's jump shot with 3:20 remaining put the Pirates ahead for good, 79 to 77. A 3-point play by Hurricane guard Bob West put Louisburg within 3 points, 81 to 84, with half a minute remaining, but forward Jimmy Bivette's jump shot sewed it up for East Carolina, 86 to 81.

In the first half Doug Hobgood tallied 7 of Louisburg's initial 10 points, but this fine effort was offset by East Carolina's accurate shooting and rebound control. Forward Bradshaw connected for 10 points in a spurt that soared the Pirate's lead from 13-10, to 28-16 with 7:28 remaining in the half.

East Carolina had a 10 point advantage of 38 to 28 with 3:20 to go in the half when Joe Carden led a Hurricane rally that cut the visitor's lead to 43 to 48 at halftime. Louisburg caught fire in the second half, and with the shooting of Jimmy Dew and the rebounding of Les Gillikin brought the Hurricanes within range of tying the game up. Dew had to leave the game with 5 personal fouls with 2:07 left, and Penland and Gillikin left shortly after via the foul route. In the closing moments the height and ball handling of the Pirates proved too much for the fighting Hurricanes.

HURRICANES DEFEAT CHARLOTTE 106 to 46

Louisburg College's Hurricanes raced to a 106 to 46 league triumph over Charlotte College at Louisburg on November 20.

Charlotte was in the game for the first nine minutes, trailing by only four points, but sixteen straight tallies by the hosts ended any Charlotte hopes. Louisburg stole the ball numerous times throughout the game, which ended in a disaster for Charlotte. The rebounding of Les Gillikin, Mac Horrell, and Doug Hobgood gave Louisburg control of the boards, and the scoring of Jimmy Dew, Bob West, Griggs Cartwright, Roger Penland, and Hobgood turned the game into a rout by halftime, 47 to 25.

Coach Wayne Benton started his number two unit in the last half and uncovered a hidden talent in Walton Parker. The husky freshman from Smithfield, N. C., poured in 23 points to top all scorers. Center Trent Strickland, Paul Gregory and Parker continued the control of the board, and the Hurricanes resumed their onslaught.

In the 59-point final-half surge, Strickland, Horrell, and Cartwright contributed to the score while Parker wasn't shooting. With a 99 to 44 lead, Strickland took to the foul line with a minute remaining. The partisan fans had been yelling for 100 points for a long while, and Trent appeased their pleas with his first shot and dropped it in to send the score soaring to 100 to 44. In the closing seconds, Parker and Cartwright ended the game on the foul line as Louisburg crushed Charlotte College 106 to 46.

SEAHAWKS CLIP HURRICANES, 98-92

On December 2, the Louisburg Hurricanes lost to champion Wilmington's Seahawks, 98-92, at Louisburg.

As had been the case most of the season, lack of height handicapped the Hurricanes both under the boards and outside. Harry Galenta and Ed Miestowski controlled the boards for the Seahawks.

After Doug Hobgood's shot under the net tied the game at 2-2, the Seahawks moved ahead for good at 8-3 with only four minutes gone in the period. At halftime, Wilmington had a comfortable lead of 46 to 30 with Galenta having scored 18 points. The Hurricane's first half scoring was led by captain Jimmy Dew with 10 and Roger Penland with 8.

Louisburg's offense came to life in the second half. Leston Gilkin and Hobgood were outstanding defensively, and Dew, Penland, and Walton Parker connected to cut the Seahawks' lead to 92-87 with one minute remaining. However, Galenta, high scorer for Wilmington with 33 points, sank a hook to end any Louisburg threat as the Seahawks defeated Louisburg 98-92.

P.J.C. NIPS LOUISBURG 86 TO 83

In a thrilling finish, Presbyterian Junior College nipped the Hurricanes by 86 to 83 in a game at P. J. C.

The Hurricane's Doug Hobgood snagged numerous rebounds and Walton Parker found the mark with 14 points for Louisburg. Joe Carden was high scorer with 23 points.

In the first half, the Hurricanes were trailing and then leading by a narrow margin of not more than five points. After intermission, P. J. C. kept a slim lead over the Hurricanes. Pacing P. J. C. was Larry Green, with 36 points to his credit.

The Hurricane's Roger Penland and Woody DuBose played a great defensive game and bucketed 13 and 15 points respectively.

LOUISBURG DEFEATS CHOWAN FIVE 61-59

Three points in the final minute by Woody DuBose gave Louisburg a 61-59 victory over Chowan on December 7.

The Hurricanes played well, offensively and defensively, but at intermission only led Chowan by one point, 20 to 19.

In the last quarter, the Hurricanes were behind 5 points, but slowly gained on their opponent until, in the final minute, Woody DuBose sank three points to put the Hurricanes 2 points ahead. Pacing the victors were Jimmy Dew with 19, and Walton Parker with 15 points. Clarence Nickols was high for Chowan with 15.

CAMPBELL HALTS LOUISBURG, 88-68

The "Purple Hurricanes" were defeated by Campbell College by 88-68 at Campbell on December 14.

The score was knotted three times in the first 10 minutes of play. For the rest of the first half, Campbells' George Lehman tallied 12 points to put the Camels out in front by a score of 56 to 42 at intermission.

The second half started out with a bang, a bang for Campbell that is. George Lehman fired 6 consecutive shots from the hardwood to put the Camels way out in front 78-60 in the first 12 minutes of play. The Hurricanes poured it on also, with Walton Parker hitting numerous jump-shots, and Les Gillikin controlling the boards, but this rally wasn't enough to catch up with Campbell's lead. In final seconds of the game, the Hurricanes' Roger Penland sank a set-shot to put Louisburg within a 20 point deficit, 88-68.

High for the Hurricanes was Jimmy Dew with 20, and top man for the Camels was Lehman, tallying 34.

OAK RIDGE DUMPS HURRICANES, 89-75

At Oak Ridge, Louisburg Junior College was defeated by the Oak Ridge Cadets 89-75 on December 17.

The Cadets outloughed the Hurricanes from the beginning with Cadet sparkler Billy Haneline and David Buffalo who tallied 22 and 21 points respectively. The Hurricanes slowly closed the gap but at half time were behind 4 points, 36-32. Doug Hobgood controlled the boards for Louisburg during the first half. Captain Jimmy Dew hit 12 points, with Ross Lane close behind with 8.

During the second half, Oak Ridge slowly pulled away from the Hurricanes, but even with the fine efforts of Hobgood, Cartwright, Ferrell, and Ross Lane, the Hurricanes were unable to beat the powerful Oak Ridge team.

Jimmy Dew and Walton Parker were high for the Hurricanes with 21 and 17 respectively.

LOUISBURG WHIPS ELON, 67-58

Louisburg College's Hurricanes rode to a 67-58 victory over Elon at Louisburg on January 5.

Elon was in the game during the first half, leading during 4 minutes of the first period. Doug Hobgood controlled the boards for the Hurricanes while Jimmy Dew poured in 10 points in the first half. At intermission, Elon College found themselves lagging behind 3 points, 32-29.

Roger Penland came to life in the second half hitting all but one of his free-throw shots. Assisted by husky Walton Parker who scored 8 points, the Hurricanes marched to triumph. Also the scoring of Jimmy Dew, Doug Hobgood, Mack Horrell and Griggs Cartwright enabled the Hurricanes to end the game with a 9 point lead.

High for Elon was Hall with 18, and close behind was Neidez with 17.

Captain Jimmy Dew led the Hurricanes with 22 points.

NEWPORT NEWS WHIPS LOUISBURG 69-67

On January 8, Louisburg lost a heart-breaking game with Newport News Apprentice School by 2 points, 69-67.

It was a scramble all the way, the Hurricanes losing the ball to Newport News, and vice-versa. Louisburg led during most of the first half, but at intermission found themselves 2 points behind, 36 to 34.

In the second half, Roger Penland tallied 10 points, but this fine effort was offset by Newport News' accurate shooting and rebound control. The shooting of the Hurricane's Jimmy Dew and the rebounding of Les Gillikin brought Louisburg into range of tying the game up, but Newport News' Jones and Bill Nicely stopped the rally. They finished the game with 16 and 22 points respectively. Nicely was high scorer for Newport News.

Dew was high for the Hurricanes, with 30 points to his credit. Walton Parker was close behind with 15.

FREDERICK NIPS HURRICANES 55-52

On January 9th the Louisburg College Hurricanes invaded Frederick Military Institute, but ended 3 points deficient in the final score.

The Hurricanes battled brilliantly in the first quarter with Doug Hobgood controlling the boards. In the first half, captain Jimmy Dew helped the Hurricanes along, bucketing a total of 12 points. At intermission, Frederick led Louisburg by only one point, 29-28.

In the second half, center Griggs Cartwright hit free throws with 7:20 remaining to put Louisburg ahead by one point. Frederick's sharp shooters, Jack Connally and guard Jerry Ellis were too much for the Hurricanes as they scored 12 and 10 points respectively. High scorers for Louisburg were Jimmy Dew with 20 and Walton Parker with 11.

LOUISBURG DEFEATS CHOWAN, 75-61

The Hurricanes invaded Chowan on January 11 and came back with a 75-61 victory.

Frequent fouling and erratic passing by both teams slowed play considerably in the first half. Doug Hobgood and Les Gillikin played tremendous basketball defensively, controlling the boards and blocking shots during the first half. Husky Walton Parker in the first quarter alone tallied 12 points for the Purple Hurricanes. At half-time the Hurricanes were ahead 37-33.

Louisburg Captain Jimmy Dew had his team rolling in the second half. Playing excellent ball, Parker tallied the final 2 points for the Hurricanes, making the final score 75 to 61. Parker was high for the Hurricanes with 26 points, Dew was next with 23. Oakley for Chowan was high with 15 and Bobby Yates was runner up with 12.

LOUISBURG BEATS NEWPORT NEWS

Louisburg college took the lead from the start, led by as much as 22 points at times, and finally defeated Newport News Apprentice School, 72-57, at Louisburg on January 14.

Louisburg was paced in the victory by Roger Penland with 23 points. Injured Captain Jimmy Dew played only half of the game with a twisted ankle. The Hurricanes led Newport News in shooting and rebounding the whole game. The Hurricanes' Walton Parker found the mark with 11 points, and Dew in the first half scored 15 points. Trent Strickland controlled the boards for Louisburg.

Bob Nicely was high for the visitors with 23 points to his credit.

Only a week before, Newport News defeated Louisburg in Virginia, 69-67 in an overtime game. Dew scored 31 points in that game for the Hurricanes, despite the loss.

SEAHAWKS WHIP LOUISBURG 96-86

On January 22, Wilmington Junior College's Seahawks won their 11th straight conference game without a loss, defeating Louisburg 96-86.

Before a Wilmington homecoming crowd of approximately 1,500 persons, Seahawks rolled slowly past the Hurricanes to win. Louisburg could not find their mark in the first half, and at half-time Wilmington had a wide margin of 18 points, 44 to 26.

The second half Louisburg began to hit, but could not keep up with sure shots of Ed Miastkowski who bucketed 24 point and Bill Galentoi, who scored 18.

High scorer for Louisburg was captain Jimmy Dew, who hit 23 points. Roger Penland and Ross Lane came close behind with 11 and 16 points respectively. Les Gillikin was outstanding defensively.

LOUISBURG UPSETS CAMPBELL 70-72

Louisburg College came from behind to win a thrilling 72-70 upset victory over arch-rival Campbell College on the Hurricanes' home court on January 28.

Captain Jimmy Dew served up the win with a pair of clutch free throws with only 14 seconds remaining. Seconds before the game's George Schuman, who was the game's high scorer with 37 points, had scored on a lay-up to tie the game 70-70.

Having trailed most of the first half and down by seven points at halftime, 29-36, the inspired Hurricanes tied the contest at 45 all on a short jump shot by Dew with only five minutes gone in the last half. Minutes later Roger Penland hit a jump shot and earned two foul shots to give Louisburg its biggest lead of the contest, 54-51. The lead was brief, however, as Schuman scored 11 points to return the lead to Campbell, 64-58, at 5:10 remaining. The Hurricanes rallied behind the play of Ross Lane and Penland to regain the lead, 70-68, as foul shooting by these boys and a dramatic two shots by Dew ended matters 72-70 in favor of Louisburg.

Penland and Dew paced the Louisburg scoring with 26 and 25 points respectively, while Trent Strickland was brilliant on defense, grabbing rebounds and blocking shots. Lane, Ferrell, and Les Callikin also did a fine job.

The victory was Louisburg's seventh home victory in nine starts.

LOUISBURG SMASHES E.M.I.

On January 30, Louisburg College's Hurricanes defeated Edwards Military Institute by a score of 78 to 74.

The Rams led Louisburg during the first 5 minutes of play, but four straight jump shots by Doug Hobgood in the first quarter sent the Hurricanes ahead for the rest of the first half. Hobgood controlled the board and poured in points for Louisburg all during the first half.

After intermission, the Rams began to narrow their deficit by the fine marksmanship of Tommy Crump and Hark Cantor, and with 1:25 left in the game, a hook shot by the Rams' Ronnie Miller tied the game. Roger Penland connected two straight foul shots to put the Hurricanes ahead, and Ross Lane hit two more to send the Hurricanes to their victory.

High scorer for Louisburg was Jimmy Dew with 22. For the Rams, Tom Piccinini was high with 17.

ALUMNI SEE HURRICANES DEFEAT P. J. C.

Jimmy Dew scored 29 points to lead Louisburg to a 107-83 homecoming victory over P. J. C. on February 6.

Dew, who had 18 points at half time, and Doug Hobgood, with 21 points in the game, led the Hurricanes to a big lead midway of the period. At halftime, Louisburg was making the game a runaway, 53-30. The Hurricanes made 14 of 17 foul shots attempted in the first half and outlit P. J. C. from the field, 22-10.

Twenty-three points at the foul line by P. J. C. couldn't offset the second half scoring attack led by the Hurricanes' Woody DuBose, and Frank Park, with 11 and 12 points respectively. And although he had 3 personals early in the second half, captain Dew managed to add 11 more points to his 18 of the first half for a total of 29 points. For the losers, Greene and Wray scored 20 and 19, respectively, and Hussy tallied 15 points.

HURRICANES ROUTS OAK RIDGE IN 102-75 VICTORY

In the first half, the Hurricanes shot 39 percent from the floor and were 12-16 at the foul line.

The Hurricanes pulled away in the last half, and behind Trent Strickland, whose long arm detoured innumerable shots, made a rout of the contest. Strickland wound up with ten points. Ross Lane tallied 12 points, behind Jimmy Dew's 18 points.

Paul Gregory, a newcomer to the varsity, hit the century mark with a lay-up at 0:53. Frank Park ended the scoring for Louisburg with a pair of free throws. Larry Ferrell played a commendable game both defensively and offensively, scoring 9 points.

LOUISBURG BRUSHES FREDERICK 60-62

On February 11, the Hurricanes brushed past Frederick in a thrilling 62-60 win. Durham's Roger Penland sank a field goal with four seconds remaining to give Louisburg the victory.

Penland paced the win with a 23-point effort. Jimmy Dew was second high for the Hurricanes with 15 points. Erratic shooting by both teams slowed them down in the first half, but after intermission, Frederick and Louisburg both found their marks.

Jack Conally, who accidentally shot at the wrong basket, helped the Hurricanes pace their win by 2 points. Jimmy O'Keefe was top man for Frederick with 18 points. Conally was second with 12.

HURRICANES WHIP CHARLOTTE 87-69

Charlotte played host to Louisburg on February 13, but Louisburg won a decisive battle over the Wildcats, 87-69.

The Hurricanes led Charlotte by not more than 7 points during the first half, with Doug Hologood, Trent Strickland, and Roger Penland tallying most of the points.

Louisburg stole the ball numerous times throughout the game, which helped end it in disaster for Charlotte.

In the second half, the Hurricanes resumed their onslaught, pouring in basket after basket. The Wildcats played havoc at the free-throw line, but field goals by Pizler and Cates with 2 minutes remaining couldn't overtake the red-hot Hurricanes.

Pouring in 29 points for Louisburg was captain Jimmy Dew. Lanky Trent Strickland was next with 16.

Pizler for the Wildcats was high with 31 points.

Goes To Kansas

Louisburg College's Purple Hurricanes traveled to Wilmington for the final playoffs in the Carolina-Virginia Junior College Tournament February 18.

Louisburg, slated to battle Chowan at 7:00 p.m., was tied for fourth place with the Braves. Roger Penland racked up 15 straight points in the second half to spark Louisburg to a 73-55 win over Chowan.

The second game the Hurricanes played was against Wilmington, conference champions. The Seahawks were out in front of Louisburg from the beginning and the final score was 86-71, Wilmington over Louisburg.

The Hurricanes were now tied with Presbyterian Junior College for third place, and in the playoff, given to determine third and fourth place winners, Louisburg defeated P.J.C. by a score of 79-71 to take third place in the tournament.

The two top-ranked teams, Frederiek and Wilmington, were ineligible to go to Kansas to play in the National Tournament because of a conference rule about prep players. Louisburg was then asked to go to Kansas, provided they win over the Western Champion, Wingate College.

In the first out of three games slated, the Hurricanes defeated Wingate 72-70 at Louisburg. The Hurricanes then traveled to Wingate where Louisburg was defeated by a wide margin of 86-61. The third game was played in Sanford to determine who was to go to the tournament in Kansas.

It was a hard fought victory, but Louisburg defeated Wingate 67-58. The game was mostly tied all the way, with each team leading no more than five points until the last quarter when the Hurricanes pulled away from Wingate.

Louisburg finally won the berth to Hutchinson, Kansas, to play in the National Tournament by defeating Wingate.

On a snowy March morning the Hurricanes left for Kansas and the National Junior College Basketball Tournament.

The Junior Varsity Basketball Team, coached by Russell Frazier, finished an unusually good season with a 19 and 4 record. The Junior Varsity squad, composed mostly of first year students, will undoubtedly provide experienced material for the varsity team for next year. Their record as Junior Varsity players this year indicates the great progress these boys have made. Some of the teams included this season were State College All-Stars, semi professional Raleigh, and Westinghouse.

Louisburg College's tennis team plays ten matches this year—P. J. C., Wilmington, Frederick, Chowan, and Campbell, each twice. Last year the team won three and lost three. Bradley Dozier, Paul Gregory, and Jimmy Dew were the only three returning players. According to team captain Bradley Dozier, he expects a little difficulty with inexperienced players, but on the whole, a much better season than last year's.

The 1959-1960 Louisburg College golf team is comprised of five students, all of whom are excellent players. Four of the men were used on trips, and when other teams brought more than four players, the fifth man of the team played.

At the beginning of the season the lineup was: Bill Biddle, *Captain*; Bill Moore, number two man; John Baxter as number three man; Jim Langley, number four man, and Gene McLamb as number five man.

Home golf games were played at the Green Hill Golf Course in Louisburg.

Louisburg played matches against Wilmington College, Campbell, Chowan, and other schools of the Junior College Conference.

Intramural Football

Ready for scrimmage

There was a great deal of enthusiasm and interest in this year's intramural football, even though frequent casualties occurred.

After tough competition from the men day students, the season's champions were Franklin's second floor.

The first major production of the season, *The People Versus Maxine Lowe*, was played in the Franklin County Courthouse. This setting presented an authentic background for the suspense packed story of the trial of Maxine Lowe. After short deliberation the jury, chosen from the audience, returned a verdict of not guilty. The all student cast, with the exception of the jury, was composed of 26 students and under the student direction of Mike Williams.

SALUTES

Louisburg College

WE APPRECIATE ITS EDUCATIONAL, SPIRITUAL AND ECONOMIC VALUE TO OUR COMMUNITY, AND PLEDGE OUR FULL HELP AND CO-OPERATION TO ITS CONTINUED PROGRESS AND SUCCESS.

WE WELCOME THE STUDENT BODY AND IT IS OUR SINCERE DESIRE THAT THE KNOWLEDGE AND CHRISTIAN INFLUENCE GAINED HERE WILL MAKE THEM BETTER QUALIFIED TO MEET THE PROBLEMS FACING THE WORLD TODAY.

An Open Letter To Louisburg College

It has been my profoundly felt honor and privilege to serve as editor for this year's annual publication. This year, I feel quite sure, will be recorded as a point of embellishment for this institution. A myriad of people and circumstances have played parts in this *coup*. The time was ripe and the advantage was well taken. Though too numerous to mention all, I shall call your attention to an exiguous number of the meliorations: new lands and buildings have been purchased to enlarge the campus; ideas have been conceived to better organize student activities; the *Columns* has become a more representative voice of the student body; the *Collegian*, a literary magazine, has been resurrected; and the Young Democrats's Club was reinstated. The trends of thought have been brought up to date in the fields of student government and planning with the separation of the judicial and legislative powers in the creation of the Men's Judiciary Board. There still remain with us some elements which are out of harmony with this move, but they shall be overcome with the passage of time. We of the *Oak* staff have tried to record this.

The animalian-man is possessed with many faults. He is selfish and inconsiderate. He will say and do things which can be detrimental to the physical and mental stability of his fellows. Such things have been, are being, and forever will be said and done, but there is the other pleuron of this creature, the human-man, the helpful, considerate, and understanding man. In this experience as editor I have found both, but with felicity I say that the latter far outweighs the former. There has been in all instances counteraction of this malevolence by benignity. Without this consideration, this book could never have been published.

I should like to thank every member of my staff, but more particularly I should like to thank Miss Linda Lea, who stepped out of her role as Business Manager to lend much help to the editorial staff. I appreciate the loyalty and support of all those who, when the crucial moment arrived, stood fast and stayed late.

Looking at all in retrospect, and with an eye to the future, I see great hope for the *nouveau régime*, not new entirely but keeping with those things of the past that are beneficial and adding the new. Louisburg College serves a vital need, and it can do so much more effectively in the future, provided that the improvements inaugurated this year do not fade into oblivion.

In contemplation of the foregoing, I humbly remain—

William Edward Ezzell
Editor, *The Oak*, 1960
